

Guest Instructor Shannon Ambassador Pat Burke

Pat's passion for sewing and quilting has grown since 1990 alongside her fabric stash. Never having found someone who doesn't love a Cuddle® quilt, she keeps making more. A lifelong teacher, Pat continues spreading her love and knowledge of sewing through special events featuring Shannon fabrics.

Do you love the irresistible feeling of Cuddle fabric? Are you just dying to work with it but are a bit afraid? This event is perfect for you and anyone else who wants to experience the cozy comfort of Shannon's Cuddle fabric! Join Pat Burke for two classes March 2nd and 3rd.

On Friday, March 2nd, enjoy a day long class while sewing a Cuddle strip quilt!

Purchase a kit and the backing and binding fabrics, and Pat will show you all the techniques for working with these luscious fabrics. You'll have plenty of sewing time, so should be able to get most or perhaps all of a quilt sewn (depending on which size you choose and how quickly you sew). Pat will also demonstrate how to appliqué with Cuddle, teaching you another useful technique. There will be drawings and a trunk show of wonderful Cuddle projects as well.
