Lesson Policies

The month's tuition is due at the first lesson or rehearsal of the month. There is a \$5 Late Fee if not paid by the 10th day of the month.

Students are expected to attend all lessons & rehearsals.

There will be several months that have a 5th lesson, we use this extra lesson to make up for those with only 3 when the store is closed for holidays and your vacation or illness should you need it.

Rescheduling is allowed if notice is given at least one day in advance. Naturally, there will be times when illness or transportation problems will unavoidably alter your schedule, however, if a cancellation is made after hours or the day of the lesson, rescheduling is not an option.

We do not reschedule due to the store being closed for holidays. We do not reschedule due to severe weather (snow, tornado, etc...).

Private Lessons

You're the boss, our program is tailored to you, as only private instruction can be. You and your teacher work to design a course that best suits your goals and interests.

Playing an instrument is a personal experience that allows you to share your individuality. Whether you play in church or in a rock band, alone in your room or in a coliseum, your voice on your instrument is unique.

We want to help you find & develop your voice.

The more comfortable you are with music and your instrument, the easier it is to express yourself.

About Our Teachers

Our teachers each have thorough musical training, teaching expertise, and professional performance experience.

You have the opportunity to learn:

- Theory & Harmony,
- Ear Training,
