Simple Drawstring Bag

We chose to make this one with the lovely Mango hand dyed wool by Sue Spargo

[Mango Wool solid](#)

No lining necessary, the wool is perfect inside and out! We cut a piece 12" long by 5" wide, folded 3/4" on top and stitched along side 1/2" seam allowance. That's all!

For a simple photo tutorial on an unlined ribbon drawstring bag, check Sew4Home :

TIP: To stitch the ribbons on the fabric, you can either select a color coordinated thread or a transparent monofilament thread- in which case use a looser thread tension in your sewing machine
