

Tucker University Sophomore Year

PRE-REQUISITE: You MUST have completed MOST of the Freshman Year in order to take this class.

This will be a 8-month class. The first 6 classes will be dedicated to learning new techniques using the rulers from the Freshman Year as well as a few new rulers. Anything listed in **purple**, you “should” have purchased during the Freshman year. Design Sheets are exclusive to Tucker University, and are different than Technique Sheets (sometimes they have the same name).

The last 2 classes are dedicated to the School of Design. Throughout the year you will slowly start planning your final quilt. In the last two classes you will finalize your design and learn how to calculate yardage for your new quilt.

You will receive a 10% discount on each ruler needed for class. It is very important that you notify me of any rulers that you may already own. Attached is a checklist of the rulers/tech sheets needed to complete the year. Please fill the form out and return it ASAP if you plan on participating.

CLASS FEE: \$25 per class

Multi-Class Discount available ONLY to students purchasing rulers from MO's:

***Pay for entire year up front, class fee is \$120 (\$80 savings!)

There will be no refund for missed/dropped classes. Videos available online.
