## WELCOME BACK!

Dear Friends,

The past year and a half has really turned our world upside down. My heart goes out to all of you that were affected by Covid and everything else that was thrown us. I'm not going to lie, I was terrified that my business was not going to survive the pandemic. I saw my dream slipping through my fingers and I was devastated. I had to make a quick decision to fold or fight, and the Facebook Flash Sales were born.

I was very humbled by the outpouring love and support from you all during the pandemic. The emails, and messages brought tears to my eyes on more than one occasion. You made it worth all of the long exhausting hours. There were many nights that Cathy and I were at the shop until one in the morning just trying to fill orders! It was both amazing and exhausting! I can't thank you enough!

Although things are slowly starting to get back to normal, businesses everywhere are still suffering from inventory shortages. I am one of those businesses. Shipments are still getting caught at ports and causing massive delays. I am lucky if I receive half of my order when I place them. I truly appreciate your patience and understanding. Everyone is doing the best we can given the circumstances. So much is out of our control and we are just as frustrated as you. Your kindness is appreciated.

It's so exciting to be able to get back to teaching classes and planning events. I will be participating in the 21st Biennial "Quilts on the Grand" show which will take place April 1 & 2, 2022. The show will be held at the DeltaPlex, in the West River Hall, located at 2500 Turner Ave., NW, in Grand Rapids, Michigan. Don't forget to stop in and see me!

The location is great, the food is awesome, and the company/inspiration is priceless! Bring whatever you would like to work on, or choose to participate in the Mystery Quilt. If you choose to participate in the Mystery Quilt, you will receive the yardage and cutting instructions before you leave for retreat. You will receive your first clue when you arrive. You will not know what your quilt will look like until the very last clue! Make sure you tell us if you plan on participating in the Mystery Quilt ASAP so that we have enough patterns available.

The retreat will be at the Farmstead Inn, Shipshewana, IN. Breakfast is provided by the hotel. Lunch, and dinner will be catered! There will be no lunch on Thursday or Monday. The Menu will be provided online or in the store. Special Dietary requests can not be accommodated.

We have demos, drawings, and a free gift at every retreat. I'd like to do a show and tell. So if there is anything you would like to show, we will do it Saturday Night. Cross stitchers, we'd love to see your work as well! Bring some of your favorite pieces to show off!

## JUDY NEIMEIYER PAPER PIECING CLASS

**(2022)**- I have had a HUGE response for this class and space will be limited. I have names down for those that have already contacted me about this class. If you are already on that list, you will have first dibs. A deposit is required (cost of pattern) to hold your spot. Once the patterns arrive, you will receive your pattern and supply list so that you may purchase your fabrics before class. There are two different options for classes. Below I included an estimated price breakdown. Fabric cost will vary depending on the fabrics you choose. Quilters must be able to sew an accurate 1/4" seam, sew on a drawn line, match seams, have patience (this is not a race), and are willing to do homework. This is not a quick process and will require you to finish each section taught in class BEFORE the next class. You will often need them to move on to the next step.

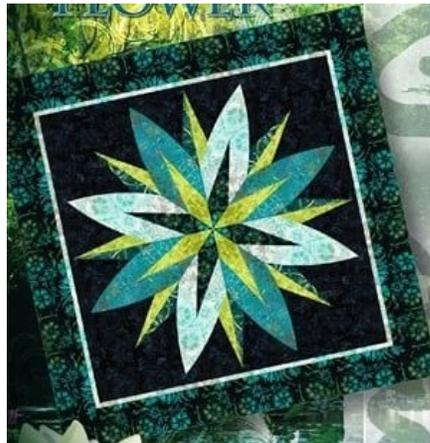

The Lotus Flower is 40" x 40". This will be the easier of the two as I'm sure you can tell by the photo. We may be able to get this done in 3 classes, but I'm scheduling it for 4, just in case. (I DID ORDER THE FABRIC LINE SHOWN IN THE PICTURE! LET ME KNOW IF YOU WANT A KIT AS SHOWN IN PHOTO)

Estimated Fabric Cost -  
\$50.10 + (4) classes @ \$30 each (if we can get it done in 3 classes you will not be charged for the 4th class) + Pattern \$28.89 (comes with foundation papers) + Curved Ruler \$15.39

**DATES: Wednesday Sessions:** 1/26, 2/23, 3/23, 4/20 OR

**Saturday Sessions:** 1/29, 2/26, 3/26, 4/23

**TIME:** Both Sessions are 10am-4pm

The Pineapple is 45" x 45". This class will require more homework. I did NOT order this fabric line, however I would be happy to help you pick your fabrics.

Estimated Fabric Cost—\$100.31 + (6) classes @ \$30 ea + Pattern \$39.89 (comes w/ foundation papers) + Curved Ruler \$15.39

**DATES: Wednesday Sessions:** 5/25, 6/22, 7/20, 8/24, 9/21, 10/19  
**Saturday Sessions:** 5/28, 6/25, 7/23, 8/13, 9/24, 10/22

**TIME:** Both Sessions are 10am-4pm

**FEE:** \$15 per class + supplies (kit)

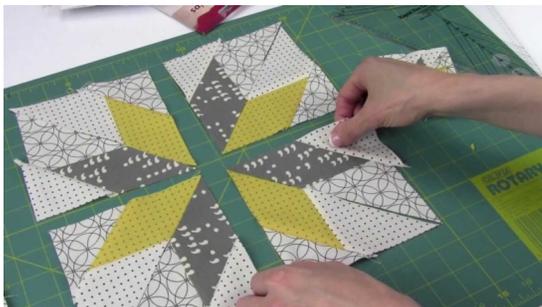

**DATES: Friday Sessions:** 1/14, 2/11, 3/11, 4/8, 5/13, 6/10, 7/8 OR

## TUCKER UNIVERSITY FRESHMAN YEAR (2022)–

Tucker University is a 9 month technique class. The purpose of each lesson is to teach you how to use and implement Deb Tucker's Studio 180 Design Tools. Students will experience the creation of a precise unit that can be applied to most quilt patterns. Each tool and technique provides both left- and right-handed instructions, multiple sizes, and free online tutorial videos. Please know that we will not be creating full blocks in class. Our focus will be on mastering precise units while learning how to combine them in different ways. We will also be learning how to look at a

block, break it down into units, and calculate the different sized units that you would need to create that block. I have deep discounts for those who pay

for the year in full, as well as special discounts on the rulers! Stop in the shop for a more detailed explanation (ask MO), or print the information off my website!

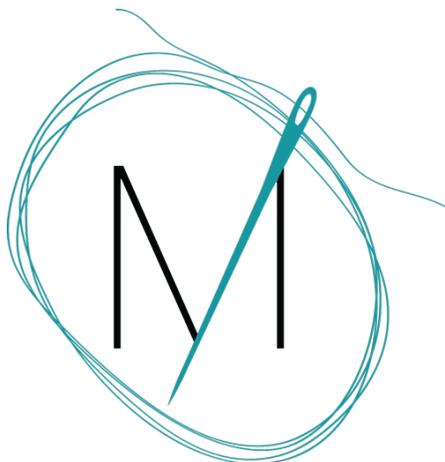

**SKILL LEVEL:** This is an advanced beginner's class. You must be able to sew an accurate  $\frac{1}{4}$ " seam. You must be able to cut accurately. There is a lot of seam matching. Accuracy is what our focus will be.

**FEE:** Check website for details.

**DATES: Tuesday Sessions:** 1/18, 2/15, 3/15, 4/12, 5/17, 6/14, 7/12, 8/16, 9/13 (TUESDAY SESSION ALREADY FULL)

**Saturday Sessions:** 1/22, 2/19, 3/19, 4/16, 5/21, 6/18, 7/16, 8/20, 9/17

**TIME:** Both Sessions are 9am-12pm

## TUCKER UNIVERSITY SOPHOMORE YEAR (2022)–

**PRE-REQUISITE:** You MUST have completed MOST of the Freshman Year in order to take this class.

This will be a 10-month class. The first 6 classes will be dedicated to learning a few more techniques with rulers from the Freshman Year plus a few new rulers that you may or may already have. The last 4 classes are dedicated to the School of Design. This portion will cover the entire process of quilt design, construction, and borders/binding. In the first session of the School of Design, you will start planning your quilt. You will pick your layout and create your own unique design. Then we will work on figuring the fabric amounts needed for your specific design. In the second and third class you will work on constructing your blocks. You will not be able to complete everything in class. You will have to do a lot of the work at home! This is very important. The goal is to walk away with a finished (or almost finished) top. In the last class we will talk about Sashing/Borders/Binding and show off your creations! Stop in the shop for a more detailed explanation, or print the information off my website!

**FEE:** Check website for details.

**DATES: Tuesday Sessions:** 1/18, 2/15, 3/15, 4/12, 5/17, 6/14, 7/12, 8/16, 9/13, 10/11

**Saturday Sessions:** 1/22, 2/19, 3/19, 4/16, 5/21, 6/18, 7/16, 8/20, 9/17, 10/15

**TIME:** Both Sessions are 2pm-5pm
