

A division of Galloping Rabbit, Inc.

Independent Authorized Gammill Quilting Machine Dealer

**April 10, 2013**

Greetings!

We have lots of fun events coming up that we want to share with you:

This Friday at 10a.m. is the Sockhop (Statler Owners Class) meeting at the shop. We'll be reviewing the 6 important items you should be doing every 6 months for maintenance. I'll also be demonstrating some techniques in Creative Studio, including how to make a border pattern into a border corner. Natalia will be here for Art and Stitch if you'd like to stay after lunch to digitize. We'll repeat my program on Saturday at 10a.m. at Deb's. Hope you can join us! Please RSVP so we know how many to expect.

Next Friday, April 19th (9-7), and Saturday, April 20th (9-5) is the Springtime in the Rockies Shophop at The Ranch in Loveland. There are 22 stores represented, so come visit us! Admission is free. Our shop will be closed while we're at the show.

May 2nd-May 5th is the [Denver National Quilt Show](#). We'll be there, so again, the shop will be closed those days.

Saturday, May 11th is the next Sockhop. We're pleased to have guest Mary McCauley here to talk about her dimensional fiber art. If you are not a Statler owner, you are still welcome to attend this wonderful presentation at no charge. Mary's website is [www.maryhmmccauley.com](http://www.maryhmmccauley.com). There will be no meeting at Deb's, since we have Mary as a guest. We must have RSVPs for this as space will be limited to 30 attendees. Mary will be doing a class for us Tue. June 25th and Wed. June 26th. The class fee is \$100, including lunch. Both her lecture and her class are being sponsored by the [Rocky Mountain Quilt Foundation](#), the hardworking group who is responsible for the quilt display at the Rocky Mountain Quilt Festival in August.

We'll be closed in the afternoon of Saturday, May 18th for a very special event. It's my parents' (Joe and Madeline Gallagher) 50th anniversary! Swing by to wish them a happy day, or if you'd like to send a card, mail it to the studio at 2025 Turnberry Rd., Fort Collins, CO 80524. We're always so grateful for all of the help and support they give us, and know many of you have met them and might want to help us celebrate this wonderful day!

Joe's Wedding Limo, 1963

On Tue., May 21st and Wed., May 22nd, [Leslie Gabrielse](#) will be visiting from The Netherlands and doing a two day class here. We're already about half full, so call right away to sign up if you're interested in this - he only visits every few years, and is a fabulous instructor. Class fee is \$170, and includes lunch both days.

After that, we're off to London to teach Creative Studio and maintenance, but Lisa, Kathy, and Shawnette will be available. We're working hard to get a few stamps in the passports, and having a blast in the process.

Saturday, June 1st is *Sister's in the Hoop*, Cheryl Row's machine embroidery group from 10-3. They're working on some gorgeous embroidery on the leg and pockets of jeans. Own an embroidery machine and interested? Give us a call!

By Leslie Gabrielse

June 7-9 is the [Black Hills Quilters Guild Show](#) in Rapid City. We'll have a booth, but I won't be there as I'm attending my high school reunion here in Fort Collins! It's my 10th. ©Giggle...

Saturday, June 15 is the next Sockhop group at Deb's in Denver. Geri Davidson will be giving the presentation. We will not be meeting in Fort Collins on Friday, so join us to see one of the most incredible studios ever and to learn from a very talented and successful Statler owner.

June 25 and 26th is Mary McCauley's class (see above).

Other news:

In the shop, we have all of our Bottom Line thread for sale at \$10 per cone, and we now carry all of Signature's cottons, both solids and variegated. We're working on some other fun new projects we'll tell you about in the next newsletter.

If you're one of our Statler owners and haven't started using Evernote, you're missing out! Let us know if you'd like a short lesson on this awesome pattern finder.

Don't forget, we have used machines on our website. We also are happy to help you move your machine if you're relocating, and we're doing table cut downs if that 14' table is too large for your current space. Call for more information.

Whew - obviously, things are pretty crazy. We appreciate your support, and hope you have a wonderful Spring! After some freezing weather, and a rather pitiful snowstorm here in Fort Collins (everyone around us got snow days yesterday but, whine, we had to go to work as Fort Collins seems to be in a glass covered dome...) we're looking forward to things warming up a bit!

Hope to see you soon,  
Kelly
