Thank You!

All of us at Jukebox Quilts would like to thank you for your support over the last year, and wish you a healthy and prosperous 2017!

We've had a super crazy fall, I estimate that we quilted or had renters quilt well over 100 quilts since Nov. 1st! If you didn't finish your project in time to get it quilted before the holidays, we're pretty caught up and would welcome you to bring it in or get on our rental schedule in January.

We're grateful to Elaine Rance for sharing her wonderful quilts in a trunk show here in November and early December. Currently, we have a display of quilts by Barb and Greg Hinney from Estes Park. Barb and Greg team up to make more quilts than almost anyone we know. If you follow our [Facebook page](#) you've probably seen us feature Barb and Greg. They're frequent renters and usually pop in to complete several quilts each visit. Come by to enjoy their wonderful work!

Mrs. Clause's Merry 35/40/45 SALE!! **Tuesday December 27th - Saturday December 30th**

Didn't get exactly what you wanted for Christmas? Pop by this week for a super sale! All notions and non cone thread are 35% off, books are 40% off, and all quilt weight fabric cut from the bolt (1 yard minimum, excluding Liberty of London fabrics) is 45% off! Liberty fabrics are \$25 per yard (down from \$38, also 1 yard

Quirky Quilter's Happy Hour

We're starting a new informal gathering, and would love to have you join us!

Join us the first Thursday of every month, starting in February and going through November, from 5-7. Each session is \$10, and we'll have wine, beer, non alcoholic drinks and light appetizers. Folks who have taken our Circle Game Happy Hour classes wanted the fun to continue.

We will do show and tell, and then have demos and informal presentations. We're planning on sharing fun techniques like **fabric dying**, painting, **hand embroidery** and other **art/embellishment techniques** to add to your tool box. We'll also show some great basic tricks and tools that you can use in any quilt project. All skill levels and quilting preferences/styles welcomed, this is a place for encouragement and inspiration. Some sessions will have an optional kit for purchase if you'd like to do a make and take. **All fun, no rules, and great company!** Doesn't get any better than that!

Planning a Visit For Training or Machine Rental?

Coming to visit us for training, machine rental, or just a fun day at the shop? Want to pop into Fort Collins before or after and enjoy our wonderful restaurants, beer tasting, bicycling, etc.? [KOA](#) has a great campground for RVs, and also has some cabins 10 minutes from our shop, and a lot of our customers are raving about The [Fernweh Hostel](#). This gorgeous 110 year old house has everything from private rooms and baths to roomy suites for a great deal. Everyone we've chatted with that stayed there loves the house and staff. They also loan bikes and are walking distance to Old Town.

2016 Sockhop

2017 Sockhop - Statler Owner Classes at Kelly's

We've clearly heard you that you enjoy these meetings and want them to continue! We will be trying **something a little new this next year**. This year's meetings will be all about **challenging you to build your skills**. Every meeting will have show and tell,

question and answers, troubleshooting, CS demos, and networking with fellow Statler owners.

You can attend meetings for the year for a \$60 membership, or you can choose a \$110 membership, and at the end of the year, you'll receive \$150 worth of free patterns for your Statler. All new owners get one year (\$110) membership free. If you purchase after July, you'll be able to attend sessions through the following year, but will get only the free patterns the calendar year you purchased your machine.

To view a list of this coming year's topics and session dates please visit: [our blog](#). If you are already familiar with Sockhop and know you'd like to register for the new year, please visit our website to either [Register for Meetings Only](#) or [Register For Full Membership](#).

A Few Notes For Our Gammill Owners:

We now have an online form that you can complete if you'd like service.

We'll be announcing some service trips in the next few weeks. If we're coming to your area, this is a great way to maintain your machine! Travel expenses are split between all of those getting service/maintenance on that trip, so it's a great way to save.
