Quilts on Display at Jukebox Quilts

Sisters and Statler owners, Elaine Rance and Janice Trevarton have offered up their quilt collection for display at Jukebox Quilts. The walls of the studio haven't looked this good in a while! Come on in and enjoy the show! These beautiful quilts will be on display just for the month of November.

Final 2016 Sockhop Meeting

Saturday November 12th
Noon to 3pm

Natalia will be presenting a program about how to choose appropriate quilting

for a quilt, followed by a Q&A session. Bring quilts that have you stumped, Natalia will brainstorm with you! Jim and I will be away from the shop that day, but I know you'll enjoy Natalia's presentation, wisdom, and talent! At the end of the year, we'll be sending out a link for you to download your free digital patterns for the year. **Members get over \$150 worth of great patterns!**

It's That Time of Year Again!

Kelly's Bat Block and Laser Cut Quilt Kit

OK, how totally cute is this bat block quilt? I had great fun designing it, and it showcases fun Cotton and Steel fabrics! We now have laser cut kits for this quilt in stock and you can [order yours off of our website](#). Not sure you know how to put one together? That's no problem, we've created a [Bat Block How To video](#) so you can successfully piece this quilt together!

Row by Row 2015 Top and Right Borders Are Ready!

The top border and right border to our Fort Fiber quilt have all been laser cut and packed in kits. Come on in to pick them up, give us a call or [order them from our website](#).

New Laser Cut Quilt Kits

We've created a laser cut quilt kit for the popular and much loved Fancy Fox pattern by Elizabeth Hartman. All pre-cut kits include pattern, fabrics and binding for you to finish a 42 x 52" quilt. In addition to the Fancy Fox we have taken inspiration from Melody Miller's Trinket design for Cotton and Steel and created our own version of her quilt and have the kit in stock. Kit includes all

fabrics needed and pens to appliqué for a finished quilt top of 58 x 65". Both of these kits can be [ordered off of our website](#).

Big Kudos to Lorilynn King

Congratulations to Lorilynn King, one of our Statler owners who just won a first place ribbon for a group quilt that is gorgeous! Lori posted photos on our [Jukebox Quilts Facebook page](#) if you'd like to see this stunning quilt.

Small Business Saturday

We're celebrating Small Business Saturday on November 25th and November 26th with a store wide fabric sale! All fabrics will be marked down 25%, Friday and Saturday. Minimum 1/2 yard cuts.

A Note About Dropbox For Our Statler Owners

We've had to delete the patterns from the shared Dropbox folder. We couldn't seem to convince folks to not drag and drop the files off this, so were losing dozens per week. We'll be posting these on our website soon where there is only one way access for our customers. There won't be a charge, we'll send the log in and password information out to you somewhere in the near future. You can also bring in a thumb drive and we can put the patterns on it for you.
