## Machine Quilters

Speaking of holiday rush - you know how crazy it makes you when one of your customers brings in a

wedding quilt for her daughter's wedding. She drops it off on Monday and needs it back this Wednesday for this weekend's wedding (that's been planned for A YEAR!). Don't be that person! The holiday quilt rush is soon starting (if it hasn't already). Your machine has worked hard for you. **NOW would be the time to schedule service/maintenance before you've 60 quilts stacked up!** Kelly will be in the Colorado Springs area the end of Oct., and is planning on visiting the Sheridan/No. WY area Nov. 5-7, weather permitting. Call the shop to schedule. 970.224.9975
