Please see back of page for estimates. Actual charges may vary and will be shown on your invoice, which is provided to you when you pick up your quilt.

Your quilt will be ready in 1-3 weeks unless it requires custom design/quilting which can take longer. We make all attempts to accommodate your needs – just let us know in advance.

Disclaimer---Fullness/puckers cannot always be quilted out; we do not guarantee they will not be sewn in; in some cases excessive fullness may cause the quilt to not be square.

Mechanical Disclaimer---Sewing machines are mechanical devices. Despite careful maintenance, mechanical problems may occur and cause damage to a quilt top or back.

By signing below you are indicating that you have read and understand these disclaimers. As well, you have reviewed and authorize the above work to be completed on your quilt by Jukebox Quilts. You also understand that quilting is an art and not exact. Minor imperfections are normal. You understand that you are financially responsible for the cost of services as stated. If the quilt is displayed in a show or publication, you agree to credit the machine quilting to Jukebox Quilts.

Payment in full is due when you pick up your quilt. We accept cash, check, or Mastercard, Discover, and Visa.

Please sign below to indicate that you agree to the estimated charges and the patterns/thread that we have chosen together for your quilt. If additional charges will be incurred, we will attempt to contact you to inform you of these charges.

May we have your permission to photograph your quilt and possibly use it on our website or in presentation about quilting? Indicate if you'd like us to identify it by your full name or only initials.
