T-shirt quilts turn around time is 8 to 10 weeks. Please make sure t-shirts are laundered and in good conditions. Stains and other discolorations will show up. **Do not cut out your shirts ahead of time.** Shirts are all cut the same size; they are set in a grid pattern with sashing between the blocks. Cotton fabrics are used unless other specified. The sashing color is selected to compliment your shirts. If you prefer a particular color sashing, please specify. Backing fabric will be the same as the sashing unless you specify a different color.

The t-shirt designs should be no larger than 15 inches. I will center the design and include as much of the design as possible in shirts that are larger than 15 inches. The shirt must be at least 15 inches across the width from seam to seam. Tank tops tend to be smaller than 15 inches. Select the number of shirts. Each side of a shirt you want to use counts as one shirt. For example, to use the front and back of a shirt equal two shirts.

Pricing includes labor, and all materials - including fabric for the sashing, borders and backing, batting - machine quilting. All you need to do is send your t-shirts, along with this order form, and I will turn them into an awesome quilt!
