

Fabrics Unlimited Presents:

“Stuff My Stocking”

December 4-15, 2020

12 Days of Christmas Sale

Stuff something new into your stocking every day for 12 days!

You spend hours planning, making, shopping, and wrapping the perfect gifts for your friends and loved ones. Why not let us help you this year? Join us for twelve days of stocking-stuffer fun beginning December 4th.

Each day, **beginning Friday, December 4th, watch your Inbox.** We will send an email featuring one item or a bundle of items at a very nice discount. ***Want an item? Order it as soon as possible by sending us a reply to the daily email to “Stuff My Stocking”*** . We have limited quantities of each one, so act fast! They will be flying out the door - reindeer fast!

Unless you state otherwise in your email, **we will collect your stocking stuffers and hold them until Thursday, December 16th.** At that time, you (or Santa) can come into the shop to pick them up or we can package everything up and ship to you. Shipping charges will be added as appropriate.

Holiday Bonus: Purchase every item during our Stuff My Stocking event and we will include a special gift with your package.

We do require a credit card number on file so that you can be charged appropriately at the end of the promotion. Please do not send your credit card information by email. We will call you once you send us your first email to “Stuff My Stocking” to get your credit card information.

Feel free to take advantage of one, two, three or all twelve specials - it's up to you! Each promotion is good for that day only, so your "Stuff my Stocking" e-mail must be received before midnight AZ time.

This is a great way to reward yourself this holiday season, a great idea for holiday gifts, or maybe a great way to have someone else (spouse, child, friend) stuff your stocking; you know you'll appreciate the gift and it will still be a surprise on Christmas morning!

Don't forget! The first day of Stuff My Stocking will start on Friday, December 4th so be sure to check your inbox that morning!
