

“Playing with a Full Deck”
is
The Year Long Challenge
2018-2019

The idea is to select a card from the deck and use it to be inspired by to make a wall hanging, no larger than 108 inches. You may orient your wall hanging any way you want and it can be smaller than the 108 inches.

If you are inspired to reproduce the card – feel free but the goal is to use the number, the color, the shape or any other design element you see as your inspiration.

I.E. The 2 of Hearts: Could be an anniversary or wedding quilt using the 2 hearts as symbols of love and eternity.

The Ace of Diamonds may represent a “Crowning” moment or achievement.

You can Google the card to see if it holds any particular meaning or if it has special powers.

All quilts must be made of 3 layers. All quilts must have a finished edge but not necessarily bound, just no raw edges. You may “embellish” as you like. The quilt must be quilted: The amount and style are up to you.

Please just have fun and finish them up for the May meeting. That way they will be ready for the Quilt Show.

Any questions please contact me at 978-400-7580

Happy Stitching: Lynn T.
