Sewing:

- 1. Trace (16) stars from the pattern provided below onto the paper side of paper backed fusible interfacing. Follow the manufacturer's instructions to iron the interfacing to the wrong side of the (16) 5'' x5'' squares of shirting print. Cut out. Center and fuse onto the (16) $4 \frac{1}{2}''$ x $4 \frac{1}{2}''$ squares of blue prints. Machine applique with a button-hole stitch or a zig zag stitch.
- 2. Arrange and sew the completed stars into a panel four stars across by four stars down. Press the seams so they alternate directions.

3. Sew alternating 2-1/2" x 24" strips of red and shirting prints to create the upper section of stripes. Press the seams toward the red prints.

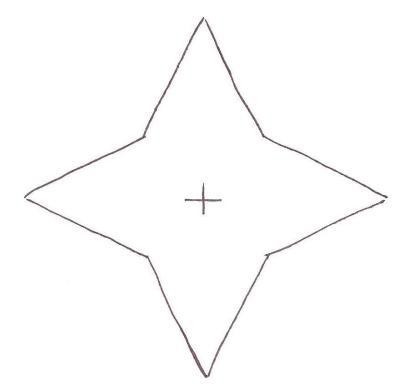

- 4. Sew the panel of stars to the left side of the striped section.
- 5. Sew alternating 2 1/2" x wof strips of red and shirting prints to create the lower section of stripes. Press the seams toward the red prints. Trim one end then measure and cut to match the width of the upper section. Sew to the bottom of the star/stripe unit. Press the seam toward the red.

- 6. Measure and trim the 1-1/2" indigo border to fit the top and bottom of the quilt. Pin and sew in place. Press the seam toward the border.
- 7. Repeat to add the 1-1/2" indigo border to the sides by measuring, trimming to size, pinning and stitching in place. Press toward the border.
- 8. Add the striped borders in the same manner Starting with the top and bottom and finishing with the two sides.
- 9. Quilt and bind. Add a hanging sleeve if desired.
