### How to Sew Face Masks

Given all the uncertainty swirling about COVID-19, there's a lot of desire to help. While the Centers for Disease Control and Prevention say staying home, washing your hands and practicing social distancing are some of the best things to do at this time, they're also encouraging everyone wear a cloth face cover when out in public.

**On the Homestead...**

My new greenhouse is done! And I have it stocked, but...  
Houston... we have a problem....

I am at capacity already and need more shelves. Hubby has promised to build me more, so in the meantime, I do other stuff. Got the main garden area tilled up, still too early to plant really anything, but I'll let it sit for a week or so. After a week, it will get tilled again and maybe then I can get dirt under my fingernails!

More snow is gone and we saw sunny and 60 degrees today!  
60 Degrees!! That's huge! Felt so good to be out in my shirtsleeves working in the yard.
