INSPECTION PROCEDURE INFORMATION (if utilities are included or added)

After the building permit has been approved, the following procedure will be followed in requesting inspections.

1. Town will notify Building Inspector that a permit has been issued (Name & Number on permit). Inspector maintains a log of inspections for each permit.

2. When an inspection is needed, Applicant will fill out the Cedar Fort Building Inspection Request Form at www.townofcedarfort.com/building-inspections.htm. This will notify Councilman over permits and arrange inspections by the Town Inspector (notify Town 3 days before desired inspection).

The URL is: **www.townofcedarfort.com/building-inspections.htm**

3. Pursuant to State Code, no longer than 180 days can transpire without substantial progress being made on building after the permit has been issued - substantial progress being defined as an inspection or partial inspection being called for.

4. Failed inspections will require additional inspection(s) and will require additional payment by the applicant.

5. When FINAL INSPECTION is completed, Inspector will sign APPROVAL Form.

Agricultural Building Exemption Certificate

App # _____

This Exemption Certificate is issued for an agricultural building ONLY (as defined below and in State Code). The Town of Cedar Fort issues a Building Approval Form associated with this exemption for tracking purposes only. This exemption means that no inspections are required, UNLESS utilities are included. If utilities are a part of this application, fees and inspections will be required. If utilities are added in the future, a new building permit will be required along with fees and associated inspections.

Certificate of Acknowledgement

I, the undersigned property owner, do hereby acknowledge and certify that the proposed building is for agricultural use only (as defined below). The uses for this structure include:

Will the building include: Electrical/Mechanical? Yes () No ()
Water/Sewer? Yes () No ()

As an agricultural building, this building may not be used for any purpose other than agricultural.

As defined in State Code §15A-1-202 Definitions.

(1) "Agricultural use" means a use that relates to the tilling of soil and raising of crops, or keeping or raising domestic animals.

(3) "Building" means a structure used or intended for supporting or sheltering any use or occupancy and any improvements attached to it.

(10) "Not for human occupancy" means use of a structure for purposes other than protection or comfort of human beings, but allows people to enter the structure for:

- (a) maintenance and repair; and
- (b) the care of livestock, crops, or equipment intended for agricultural use which are kept there.

As defined in State Code §15A-1-204:

(11)(a) Except as provided in Subsection (11)(b), a structure used solely in conjunction with agriculture use, and not for human occupancy, is exempt from the permit requirements of the State Construction Code.

(b)(i) Unless exempted by a provision other than Subsection (11)(a), a plumbing, electrical, and mechanical permit may be required when that work is included in a structure described in Subsection (11)(a).

(ii) Unless located in whole or in part in an agricultural protection area created under Title 17, Chapter 41, Agriculture and Industrial Protection Areas, a structure described in Subsection (11)(a) is not exempt from a permit requirement if the structure is located on land that is:

- (A) within the boundaries of a city or town, and less than five contiguous acres

Cedar Fort AGRICULTURAL Building Approval Procedures

AGRICULTURAL Building Exemption Approval Procedure

The Agricultural building Approval must be **TOTALLY COMPLETE** before giving it to the Town.

1. Applicant can pick up this **Agricultural Building Exemption Checklist** (attached) and **Exemption Application** from the Town Clerk by appointment or from the Town website – townofcedarfort.com.
2. **COMPLETED** Application and ALL checklist information will be mailed or hand delivered to: **Town of Cedar Fort, Attn. Town Clerk, PO Box 389, Cedar Fort, UT 84013.**
3. The application is then forwarded to the Town Councilman over building permits who will review the application.

For Agricultural buildings that have mechanical, electrical or plumbing included in the permit request, the following procedure will be followed (future requests for addition of utilities will require a new building permit and associated inspections):

1. If mechanical, electrical or plumbing is included or planned in the future, Councilman over building permits will also forward them to the Town building inspector for plan review, approval, and fee assessment.
2. Councilman over building permits will receive the building permit package and all supporting information as well as the inspector-reviewed plans. The Councilman over permits will make the final decision on the application.
3. Councilman over permits will calculate fees on approved application and notify applicant of the amount due.
4. After final approval is given by the Town Council, the applicant will have 60 days in which to obtain the permit by paying all required fees. The application will become null and void if the permit has not been obtained within the prescribed 60-day period. It is the responsibility of the applicant to confirm permit approval by the Town and to obtain the permit.
5. Permit will be issued after receipt of all fees due to the Town.
6. For AG buildings that have plumbing/electrical, Building Inspector will be notified that a permit has been issued (Name & Number on permit). Applicant will fill out the Cedar Fort Building Inspection Request Form at www.cedarfort.town. This will notify Councilman over permits and arrange inspections by the Town Inspector (**notify Town 3 days before desired inspection**). Pursuant to State Code, no longer than 180 days can transpire without substantial progress being made on building after the permit has been issued - substantial progress being defined as an inspection or partial inspection being called for.
7. When FINAL INSPECTION is completed, Inspector will notify Town and sign APPROVAL Form.

NOTES:

1. If ANY construction is commenced prior to approval of the Agricultural Building Permit, a fine will be imposed.
2. Any questions regarding the procedures for building permit application should be directed to the Councilman over Building Permits.
