Building Permit Exemption associated costs

- Agricultural buildings (no utilities) \$40 Town filing fee
- Agricultural buildings utility inspection (if included in permit) per Building Code

Deadline to Issue Permit - After Town approval of the Agricultural Building Permit, applicant must pay all fees and collect permit within 60 days of said approval. Failure to pay all fees and collect approved permit will result in a lapse of approval and all deposits will be forfeited. The applicant will have 180 days in which to begin the building and a total of 720 (24 months) to complete the project; otherwise, the application will become null and void and the permit process must be restarted. It is the responsibility of the applicant to confirm building permit approval by the Town and to obtain the building permit.

INSPECTION PROCEDURE INFORMATION (if utilities are included or added)

After the building permit has been approved, the following procedure will be followed in requesting inspections.

1. Town will notify Building Inspector that a permit has been issued (Name & Number on permit). Inspector maintains a log of inspections for each permit.

2. When an inspection is needed, Applicant will fill out the Cedar Fort Building Inspection Request Form at www.townofcedarfort.com/building-inspections.htm. This will notify Councilman over permits and arrange inspections by the Town Inspector (notify Town 3 days before desired inspection).

The URL is: **www.townofcedarfort.com/building-inspections.htm**

3. Pursuant to State Code, no longer than 180 days can transpire without substantial progress being made on building after the permit has been issued - substantial progress being defined as an inspection or partial inspection being called for.

4. Failed inspections will require additional inspection(s) and will require additional payment by the applicant.

5. When FINAL INSPECTION is completed, Inspector will sign APPROVAL Form.

Agricultural Building Exemption Certificate

App # _____

This Exemption Certificate is issued for an agricultural building ONLY (as defined below and in State Code). The Town of Cedar Fort issues a Building Permit Application Form associated with this exemption for tracking purposes only. This exemption means that no inspections are required, UNLESS utilities are included. If utilities are a part of this application, fees and inspections will be required. If utilities are added in the future, a new building permit will be required along with fees and associated inspections.

Certificate of Acknowledgement

I, the undersigned property owner, do hereby acknowledge and certify that the proposed building is for agricultural use only (as defined below). The uses for this structure include:

Will the building include: Electrical/Mechanical? Yes () No ()
Water/Sewer? Yes () No ()

As an agricultural building, this building may not be used for any purpose other than agricultural.

As defined in State Code §15A-1-202 Definitions.

(1) "Agricultural use" means a use that relates to the tilling of soil and raising of crops, or keeping or raising domestic animals.

(3) "Building" means a structure used or intended for supporting or sheltering any use or occupancy and any improvements attached to it.

(10) "Not for human occupancy" means use of a structure for purposes other than protection or comfort of human beings, but allows people to enter the structure for:

(a) maintenance and repair; and

(b) the care of livestock, crops, or equipment intended for agricultural use which are kept there.

As defined in State Code §15A-1-204:

(11)(a) Except as provided in Subsection (11)(b), a structure used solely in conjunction with agriculture use, and not for human occupancy, is exempt from the permit requirements of the State Construction Code.

(b)(i) Unless exempted by a provision other than Subsection (11)(a), a plumbing, electrical, and mechanical permit may be required when that work is included in a structure described in Subsection (11)(a).

(ii) Unless located in whole or in part in an agricultural protection area created under Title 17, Chapter 41, Agriculture and Industrial Protection Areas, a structure described in Subsection (11)(a) is not exempt from a permit requirement if the structure is located on land that is:

(A) within the boundaries of a city or town, and less than five contiguous acres
