Cemetery Watering Schedule

26 May 2020

A Cemetery watering schedule is being implemented as follows:

**West block (Rows 1-2)
Monday and Thursday
Middle block (Rows 3-4)
Tuesday and Friday
East block (Rows 5-6)
Wednesday and Saturday**

The Town requests that citizens only water on their **assigned days and only water 2 times per week and only 30 – 60 minutes each time**. Automatic timers should be set to an early morning time leaving the evening for those who hand water. We suggest that not everyone water at the same time or the pressure will be insufficient. If watering continues at previous year levels, the days and time will be restricted as in past years. **Please coordinate and conserve.**
