

Document Control Changes: Created 25 March 2014 (was CF-042-UP-14), New Format May 2016; revised May 9, 2019; revised Oct 26, 2019

BE IT ORDAINED by the Town Council of the Town of Cedar Fort, Utah County, Utah that an ordinance pertaining to the placement of utilities within the Town be enacted as follows:

UTILITY PLACEMENT ORDINANCE

1.0 Findings

Whereas, the Town Council of the Town of Cedar Fort find and declare as follows:

- 1.1. The Town has adopted ordinances and a general plan relating to the regulation of residential development,
- 1.2. The Town has, in the past, had problems with utility placement,
- 1.3. Specific delineation of utility placement is needed,

Now, therefore, be it ordained by the Town of Cedar Fort, Utah that an ordinance be enacted as follows:

2.0 Applicability of Standards

The Town of Cedar Fort has adopted Standards and Specifications for construction within the town, but specific requirements for placement of utilities are not included. This ordinance is intended to clarify and provide consistent installation requirements.

3.0 Administration

The Town Council shall administer the system set forth in this ordinance.

4.0 Utility Placement Guidelines

The following utility placements are enacted (if a conflict exists between this document and utility companies providing the services, the most stringent requirement shall apply);

4.1 Electrical Utilities (current supplier is Rocky Mountain Power):

- 4.1.1 All power lines shall be underground and located in either (in order of preference): (1) the Town's right-of way along the edge of said right-of-way with the specific location within the right-of-way identified by the Mayor and Councilmember for Building; (2) a dedicated utility easements on private property adjacent to the Town right-of-way (the conduit typically within 1 foot of the ROW); or (3) in any other location

as may be specifically approved by the Planning Commission and Town Council.

4.1.2 Service power lines shall be installed underground.

4.1.3 The requirement for underground power lines applies only to transmission lines with a voltage of less than 66 KV.

4.1.4 Placement of meters shall be on the owner's property – typically on the structure

4.2 Natural Gas Utilities (current supplier is Questar Gas):

4.2.1 Underground gas lines shall be installed in utility easements on the Town ROW

4.2.2 Placement of meters shall be on the owner's property – typically near the structure

4.3 Telephone or Data Utilities:

4.3.1 Telephone or Data lines shall be underground and located in either (in order of preference): (1) the Town's right-of way along the edge of said right-of-way with the specific location within the right-of-way identified by the Mayor and Councilmember for Building; (2) a dedicated utility easements on private property adjacent to the Town right-of-way (the conduit typically within 4 foot of the ROW); or (3) in any other location as may be specifically approved by the Planning Commission and Town Council.

4.3.2 Placement of service line drop equipment shall be on the owner's property or on the structure.

4.4 Water Utilities (Town of Cedar Fort is the supplier):

4.4.1 Underground water lines shall be installed in utility easements on the Town ROW

4.4.2 Placement of meters shall be on the Town ROW in front of the owner's property– typically directly in front of the structure

5.0 Expansion of Utilities Building Permits

The town will permit extension and augmentation of a utility that is sponsored by private individuals. Any private individual proposing a line extension or augmentation to an existing utility shall make application to the town on a form to be provided by the town which shall require the name of the project applicant, disclosure of the properties to be serviced by the line extension, a point of connection with the existing utility system, the rights-of-way easements or other real property interests necessary to the proposed line extension and any other information required to allow the city to adequately and completely consider the line extension application.

6.0 Judicial Review

Any legal action challenging any decision of the Planning Commission, Town Council, or

other governmental body performing a function under this ordinance shall be filed in a court of competent jurisdiction within 30 days of the action challenged.

7.0 Severability

If any section, phrase, sentence, or portion of this ordinance is for any reason held invalid or unconstitutional by any court of competent jurisdiction, such portion shall be deemed a separate, distinct, and independent provision, and such holding shall not affect the validity of the remaining portions thereof.

8.0 Conflict With Other Ordinances Of The Town

If any provision of this ordinance is in conflict with a provision of another ordinance of the Town, then the most stringent requirement shall govern.

9.0 Effective Date

Due to current development within the town, it is the opinion of the Town Council that an exigent circumstance exists. Therefore, in order to preserve properly the peace, health, safety and general welfare of the Town of Cedar Fort and its inhabitants, this ordinance will take effect upon its passage by majority vote of the Town Council.

Approved and passed this 26th day of October 2019
