

The Town of Cedar Fort has enacted an ordinance – and provisions of the ordinance are **EFFECTIVE: 18 JUNE 2021 – ending 30 NOVEMBER 2021**

No fireworks will be allowed in the Town.

Due to current and forecasted weather conditions coupled with the extremely dry vegetation conditions in Utah, it has been determined that measures must be taken to prevent the ignition of forest and rangeland fires.

It is unlawful for any person to:

1. Discharge any fireworks or firearms within the Town limits . Due to extremely

hazardous fire conditions in the Town, the discharge of **ANY AND ALL** fireworks including class C common fireworks is **prohibited in the ALL areas of the Town.**

2. Smoke outside an enclosed vehicle or building except

where there is clear ground for three feet.

3. Have an open fire except a campfire in an improved location

at a house.

Violation of this ordinance shall be a class B misdemeanor and/or \$750.00 FINE. Any fire resulting from a violation of this ordinance shall be held financially liable for all costs and damages.

Please keep our Town safe!
