CNE link email

SUBJECT: CodeRED Community Notification Enrollment Page

To help grow your database with the most reliable information, we recommend posting the following link on your website. The secure, customized Community Notification Enrollment (CNE) page allows residents and businesses to add or update their contact information to ensure they will be included when a message is sent – unlisted numbers, mobile numbers, TDD/TTY requirements can all be entered.

or simply place the logo below on your website

It is important that this link be prominently displayed on your website to encourage participation and to help you create a more robust database.

To drive additional traffic to your website and promote the valuable notification service you are providing, feel free to customize and distribute the attached press release to local media.

The link below will allow citizens to download the CodeRED Mobile Alert app.
