

ABOUT BERNINA CREATIVE STUDIO EMBROIDERY LAB

We are thrilled to have another year of BERNINA Creative Studio lessons available for our students! We have changed things up a bit and added several components to enhance our 2020 offerings, all in support of our customers and their needs. These lessons come from BERNINA and are specific to the brand. Each of the lessons feature tips, tricks and techniques which use features of the BERNINA machines with embroidery. You do not need to own a BERNINA to participate – you can rent one of our BERNINA classroom embroidery machines!

Embroidery Labs are held on the 4th Tuesday of each month from 10:30-1:30. Each session includes a hands-on project class with instructor, project class handout, project class pattern and instructions, design file(s) as required and all materials needed to complete your project. You will need to bring your sewing machine, embroidery module and a basic sewing/notions kit. You will be provided with a list of what to bring prior to each class.

COST

The cost for each Embroidery class is \$29.99 OR you can purchase a QUARTERLY class pass for \$74.99.

POLICIES

- **PREREQUISITE:** Basics or Embroidery Mastery Class. You must have some basic knowledge of your embroidery machine to be successful in this class.
- There are no cancellations for these classes; however, if you are unable to attend, you can either:
 - Transfer your class to another student
 - Or opt to have everything mailed to you (or picked up in the shop at a later date) to make the project on your own plus the free technique handout. Shipping charges may apply.
- The class cost includes your kit, which may vary from our shop samples.
- The Modern Sewist Class Hopper may not be used for BERNINA Creative Studio Classes.
