

## ABOUT BERNINA CREATIVE STUDIO SOFTWARE INSPIRATIONS

We are thrilled to have another year of BERNINA Creative Studio lessons available for our students! We have changed things up a bit and added several components to enhance our 2020 offerings, all in support of our customers and their needs. These classes are specifically for the BERNINA DesignerPlus Software Program.

Software Inspiration classes are held on the 3rd Thursday of each month from 10:30-1:30. Each session includes a hands-on step-by-step class with instructor, including handouts. You will need to bring your computer loaded with the DesignerPlus Software Program. We will not be stitching out the final projects in class; however, there will be samples when appropriate.

### COST

The cost for each Software Inspirations class is \$29.99. Software Inspirations classes are limited to 8 students to provide the best success for all.

### POLICIES

- **PREREQUISITE:** Basic knowledge of BERNINA DesignerPlus software. You do not need to be proficient, but should understand the interface. Your instructor will be using the most current version (8.2) and it is recommended that you have the most current upgrade available.
- The Modern Sewist Class Hopper may not be used for BERNINA Creative Studio Classes.
