When you sign up for any BOM program, the entire year's worth of patterns, fabric and/or supply purchases by our shop is allocated to you. That means we have already incurred the expense. There are no cancellations! Your card on file will be charged each month.

All members are expected to review their packets each month to be sure they have received everything they should have. We do sometimes make an error in cutting, and while we will make every effort to correct the mistake, we cannot promise to have the exact same fabric months after the fact. Please review your packet BEFORE the next BOM meeting, or before the next shipment to let us know if a mistake was made. If your notification occurs after that, we cannot guarantee an exact replacement will be available. If we become aware of an error that has occurred in everyone's packets, we will mail out corrections or replacements immediately.
