December is the tail of typhoon season.
Cebu sits outside the belt but can pick up cloud and rain.

Bring this, or you are not diving

- Your own dive computer
- Your own surface marker buoy
- Dive insurance. This one is not optional

Advanced Open Water strongly recommended, and travel insurance. Experienced OW divers can join but may sit out harder sites like Sunken Island.

A day on the safari boat

06:30 Coffee on deck, first dive, then breakfast

Midday Morning dive, then a plated lunch

Afternoon Afternoon dive, then sandwiches or fruit

Dusk Night dive where the site allows, then dinner

Plated meals, no buffet. You sleep on board or in a nearby beach resort. No nitrox on the boat.

A day in Moalboal

Boat dives at **09:00**, **12:00** and **14:30**, the midday one often on the sardine ball. Sunset and night dives on request, and Pescador at night once a week. Most sites are 10 to 20 minutes out, Pescador about 15. Nitrox on request.

The house reef is yours on your own schedule. Unsupervised needs an advanced card, a buddy, an orientation dive, and a filed plan.

Space is limited. Call the shop to claim a place.
