BACKING - Each quilt takes 5 yards. This amount will probably only give you one or two inches of extra fabric on two sides of your quilt. You may wish to purchase an additional 2 $\frac{1}{2}$ yards. if you prefer more than that.

*This yardage is the exact amount you'll need, if you cut your kits just as the pattern specifies. If you cut generously, you might want to order an extra bolt, to make sure you have enough. Or, just realize that you might end up getting one less kit from the yardage.

Please indicate on order that these bolts are "FOR KITS, SHIP COMPLETE."

Thank you!
