- 3 strips, 2½” x 40”, for double-fold binding

**Pillow-Cover Assembly**

All seams ¼” unless otherwise instructed.

1. On each of the 20½” x 14½” backing pieces, press one of the 20½” edges under ½”, then turn under again ½” and topstitch.

2. Place pillow front wrong side up on your working surface. On top of the pillow front, place both backing pieces, right sides up, overlapping, with finished edges toward center of pillow. Pin layers together, then machine-baste around all four edges using a ¼” seam allowance.

3. Apply binding around pillow-cover edges using your favorite method.

4. Insert pillow form.
