### Materials

1⅔ yds. Black Vertical (2TG1) for blocks and binding  
½ yd. Multi Leaves (21JFF1) for blocks  
½ yd. Multi Dots (22JFF1) for appliqué  
½ yd. Teal Vertical (2TG13) for appliqué and inner border  
¼ yd. Carmine Speckle (1TG10) for appliqué  
¼ yd. Lime Speckle (1TG11) for appliqué  
¼ yd. Blue/Green Speckle (1TG12) for appliqué  
¼ yd. Orange Vertical (2TG10) for appliqué  
¼ yd. Gold Vertical (2TG11) for appliqué  
1⅛ yds. Multi Animals (20JFF1) for outer border  
2⅞ yds. for backing (horizontal seam) –OR– if you don't mind working with a smaller-than-usual margin of backing fabric in your “quilt sandwich,” it’s possible to get the backing out of one length (rather than two) of 44-45"-wide fabric. In that case, you’ll need 1⅛ yds. backing fabric.

### Cutting

*Fabrics are cut in order given in Materials lists. Cut strips across width of fabric, unless otherwise instructed.*

**From Black Vertical, cut:**
- 1 strip, 10½" x 40"; crosscut 2 rectangles, 10½" x 6½", for B rectangles (Use leftover strip for next step.)
- From leftover from previous step, cut 2 strips, 2½" x 27”; crosscut 8 rectangles, 2½" x 6½", for E rectangles
- 2 strips, 6½" x 40"; crosscut 6 rectangles, 6½" x 10½", for A rectangles
- 1 strip, 6½" x 40", for strip-piecing F rectangles
- 3 strips, 2½" x 40", for strip-piecing D squares
- 5 strips, 2½" x 40", for double-fold binding

**From Multi Leaves, cut:**
- 5 strips, 2½" x 40", for strip-piecing C squares

**From Multi Dots, cut:**
- 8 animals, using templates (See Important Note in box at left.)

**From Teal Vertical, cut:**
- 4 strips, 1½" x 40", for inner border (Remainder of fabric will be used in next step.)

*From the remainder of the Teal Vertical print above, and from Carmine Speckle, Lime Speckle, Blue/Green Speckle, Orange Vertical, and Gold Vertical, cut a total of:*
- 8 animal shadows, using templates (See Important Note in box at left.)

**From Multi Animals, cut:**
- 4 strips, 5½" x length of fabric, for outer border (Strips are cut long, and will be trimmed to size later.)

**Important Note:** The appliqué templates needed for this quilt are available on our website as a free PDF download:  
www.inthebeginningfabrics.com/freepatterns.htm

The templates are designed for fusible appliqué and do not include seam allowance. Please follow the cutting and fusing instructions given on your fusible product. The templates are reversed and ready to trace.
**Appliqué Block Assembly**

Before appliquéing blocks, make sure that you have your A and B rectangles in separate stacks. See the Quilt Assembly Diagram on page 3 for the placement of the A (horizontal) and B (vertical) rectangles. (The Black Vertical print is directional, and the lines in each rectangle should be going vertically in your finished quilt.)

1. Referring to the quilt photo, and following the instructions given with your fusible product, fuse an assorted-print animal shadow to each A and B rectangle.

2. Again referring to the quilt photo, layer and fuse a matching Multi Dots animal on top of the shadow, allowing some of the shadow to show.

**Pieced Block Assembly**

All seams ¼”. Press seams in direction of arrows unless otherwise instructed. Refer to photograph for fabric placement.

1. Using 2 Multi Leaves 2½” strips, and 1 Black Vertical 2½” strip, assemble a strip unit as shown. From the strip unit, cut a total of 14 C/D/C segments, each 2½” wide.

2. Using 2 Black Vertical 2½” strips, and 1 Multi Leaves 2½” strip, assemble a strip unit as shown. From the strip unit, cut a total of 7 D/C/D segments, each 2½” wide.

3. Using 2 Multi Leaves 2½” strips, and 1 Black Vertical 6½” strip, assemble a strip unit as shown. From the strip unit, cut a total of 8 C/F/C segments, each 2½” wide.

4. Using 2 segments from Step 1, and 1 segment from Step 2, assemble a ninepatch block as shown. Repeat to make a total of 7 blocks.

5. Using 1 ninepatch block, 2 segments from Step 3, and 2 Black Vertical 2½” x 6½” E rectangles, assemble a chain block as shown. Repeat to make a total of 4 blocks.
**Quilt Top Assembly**

1. Sew appliqué blocks and pieced blocks together in rows as shown. (Make sure that the pieced blocks are oriented with the lines in the Black Vertical print going vertically.) Press seams toward appliqué blocks.

2. Sew rows together as shown in the Quilt Assembly Diagram at right. Press seams away from the chain block rows.

**Borders**

1. Measure length of quilt top through center. Trim 2 of the Teal Vertical 1½" x 40" inner border strips to this measurement, and sew to sides of quilt as shown in the Quilt Assembly Diagram. Press seams toward inner borders.

2. Measure width of quilt top, including borders just added, through center. Trim remaining 2 Teal Vertical 1½" x 40" inner border strips to this measurement, and sew to top and bottom of quilt. Press seams toward outer borders.

3. Measure length of quilt top through center. Trim 2 Multi Animals outer border strips to this measurement, and sew to sides of quilt. Press seams toward outer borders.

4. Measure width of quilt top, including borders just added, through center. Trim remaining 2 Multi Animals outer border strips to this measurement, and sew to top and bottom of quilt. Press seams toward outer borders.

**Finishing**

Layer quilt top, batting, and backing. Quilt as desired. Bind. Don’t forget to sign and date your finished quilt.
Important! The test box below should measure 2” x 2”. Please double-check its measurement before using any of the templates in this pattern. If the measurement is incorrect, make sure that you printed the PDF at 100%. In your printer dialogue box, you might need to select something such as “Print Scaling: None” or you might need to uncheck something like “Scale to Fit.”

Note: Instructions are written for fusible appliqué, and the templates are all reversed and ready for tracing. Each template is used twice: once for the animal, and once for animal shadow.
