

On The Farm Quilt

In The Beginning *fabrics*
The Art of Fabric™

FINISHED NINEPATCH BLOCK SIZE: 6" x 6"

FINISHED CHAIN BLOCK SIZE: 10" x 10"

FINISHED APPLIQUÉ BLOCK SIZE: 6" x 10"

FINISHED QUILT SIZE: 38½" x 50½"

- Quilt instructions are given for quilts in two different colorways.
- A separate materials list is given for each of the two quilts.
- Yardages are based on 40" fabric width.

Materials: Multicolor Quilt

1½ yds. Cream/White Barn (32JFF1) for blocks
½ yd. Multi Wheat (31JFF1) for blocks
1¾ yds. Multi Animals (30JFF1) for outer border
½ yd. Flame Red Dit-Dot (8AH7) for appliqué
⅔ yd. Dark Peacock Dit-Dot (8AH16) for appliqué and binding
½ yd. Rich Royal Dit-Dot (8AH17) for appliqué and inner border
¼ yd. Sapphire Dit-Dot (8AH28) for appliqué
¼ yd. Cerulean Dit-Dot (8AH29) for appliqué
2½ yds.* for backing (horizontal seam)

Materials: Black/Cream Quilt

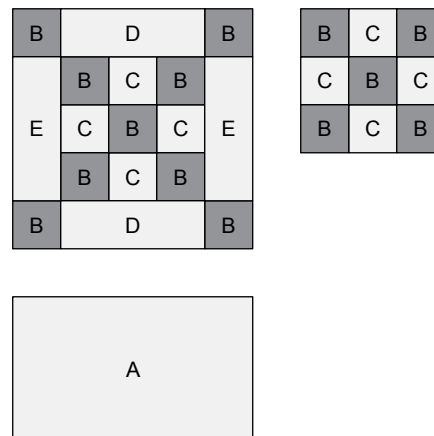

1½ yds. Cream/White Barn (32JFF1) for blocks
½ yd. Black/Tan Wheat (31JFF2) for blocks
1¾ yds. Black/Cream Animals (30JFF2) for outer border
1 yd. Black Vertical (2TG1) for appliqué and binding
½ yd. Black Speckle (1TG1) for appliqué and inner border
¼ yd. Sand Speckle (1TG2) for appliqué
¼ yd. Black/Beige Vertical (2TG2) for appliqué
¼ yd. Antique Tweedy (3TG1) for appliqué
2½ yds.* for backing (horizontal seam)

*If you don't mind working with a smaller-than-usual margin of backing fabric in your "quilt sandwich," it's possible to get the backing out of one length (rather than two) of 44-45"-wide fabric. In that case, you'll need 1½ yds. backing fabric.

Important Note: The appliqué templates needed for this quilt are available on our website as a free PDF download:

www.inthebeginningfabrics.com/freepatterns.htm

The templates are designed for fusible appliqué and do not include seam allowance. Please follow the cutting and fusing instructions given on your fusible product. The templates are reversed and ready to trace.

Cutting

One set of cutting instructions is given, and includes information for both versions of the quilt. Fabrics are cut in order given in Materials lists. Cut strips across width of fabric, unless otherwise instructed.

For Both Quilts

From Cream/White Barn, cut:

- 3 strips, 6½" x 40"; crosscut 8 rectangles, 6½" x 10½", for A rectangles
- 1 strip, 6½" x 40", for strip-piecing E rectangles
- 3 strips, 2½" x 40", for strip-piecing C squares
- 2 strips, 2½" x 40"; crosscut 8 rectangles, 2½" x 6½", for D rectangles

From Wheat, cut:

- 5 strips, 2½" x 40", for strip-piecing B squares

From Animals, cut:

- 4 strips, 5½" x length of fabric, for outer border (Strips are cut long, and will be trimmed to size later.)

For Multicolor Quilt

From Flame Red Dit-Dot, cut:

- 8 animal shadows, using templates (See **Important Note** in box above.)

For Multicolor Quilt (continued)

From *Dark Peacock Dit-Dot*, cut:

- 5 strips, 2½" x 40", for double-fold binding (Remainder of fabric will be used in future step.)

From *Rich Royal Dit-Dot*, cut:

- 4 strips, 1½" x 40", for inner border (Remainder of fabric will be used in next step.)

From the remainder of the *Dark Peacock Dit-Dot* and *Rich Royal Dit-Dot* prints above, and from *Sapphire Dit-Dot*, and *Cerulean Dit-Dot*, cut a total of:

- 8 animals, using templates (See **Important Note** in box on page 1.)

For Black/Cream Quilt

From *Black Vertical*, cut:

- 5 strips, 2½" x 40", for double-fold binding
- 8 animal shadows, using templates (See **Important Note** in box on page 1.)

From *Black Speckle*, cut:

- 4 strips, 1½" x 40", for inner border (Remainder of fabric will be used in next step.)

From the remainder of the *Black Speckle* print above, and from *Sand Speckle*, *Black/Beige Vertical*, and *Antique Tweedy*, cut a total of:

- 8 animals, using templates (See **Important Note** in box on page 1.)

Appliqué Block Assembly

- Referring to the quilt photo, and following the instructions given with your fusible product, fuse an animal shadow to each A rectangle.

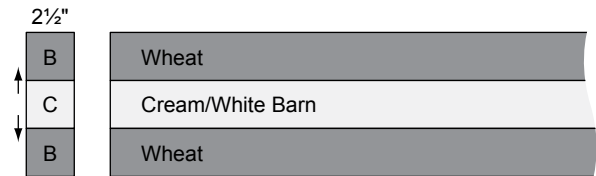

- Again referring to the quilt photo, layer and fuse a matching animal on top of the shadow, allowing some of the shadow to show.

Pieced Block Assembly

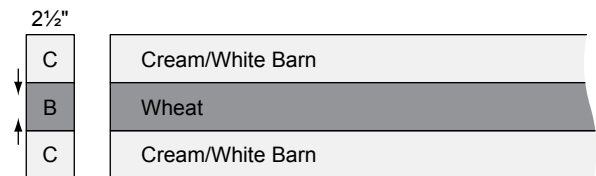

All seams ¼". Press seams in direction of arrows unless otherwise instructed. Assembly directions are the same for both quilts. Refer to photographs for fabric placement.

- Using 2 Wheat 2½" strips, and 1 Cream/White Barn 2½" strip, assemble a strip unit as shown. From the strip unit, cut a total of 14 B/C/B segments, each 2½" wide.

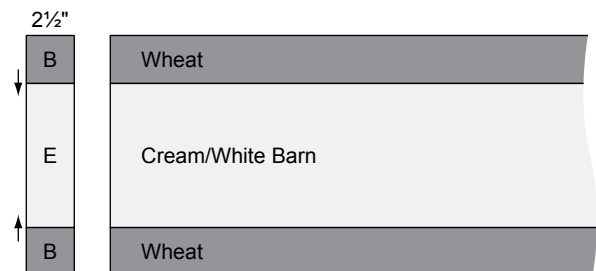

Make 1 strip unit.
Cut 14 segments.

- Using 2 Cream/White Barn 2½" strips, and 1 Wheat 2½" strip, assemble a strip unit as shown. From the strip unit, cut a total of 7 C/B/C segments, each 2½" wide.

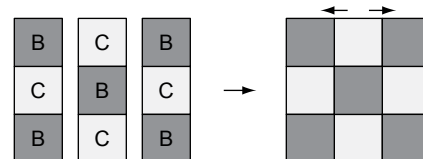

Make 1 strip unit.
Cut 7 segments.

- Using 2 Wheat 2½" strips, and 1 Cream/White Barn 6½" strip, assemble a strip unit as shown. From the strip unit, cut a total of 8 B/E/B segments, each 2½" wide.

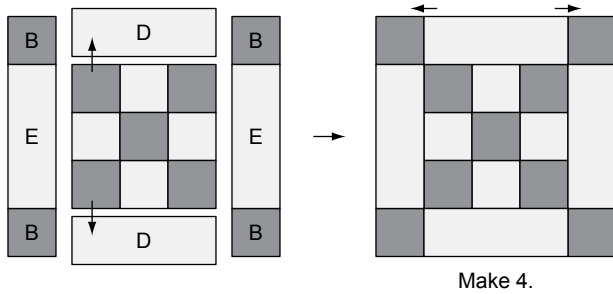

Make 1 strip unit.
Cut 8 segments.

- Using 2 segments from Step 1, and 1 segment from Step 2, assemble a ninepatch block as shown. Repeat to make a total of 7 blocks.

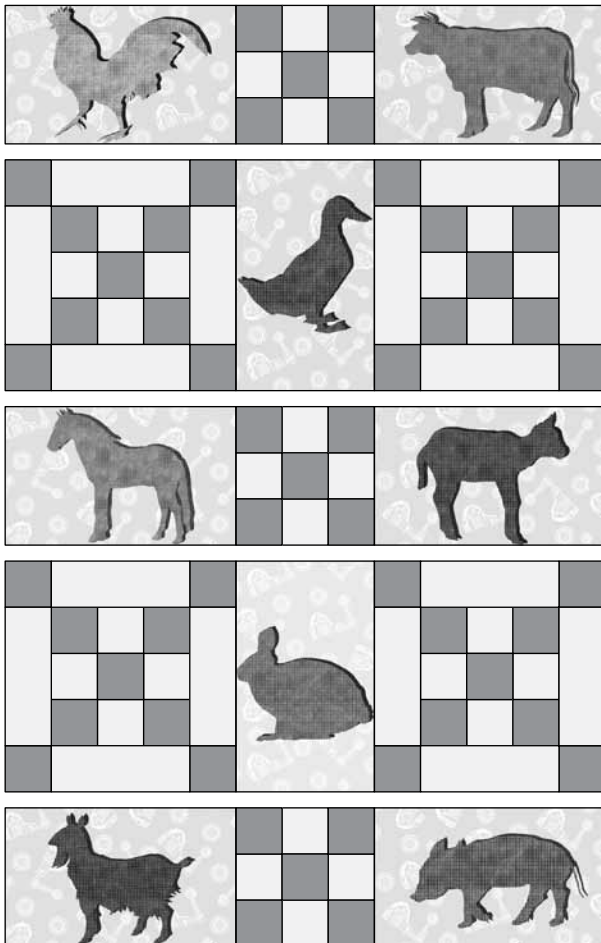

Make 7.

5. Using 1 ninepatch block, 2 segments from Step 3, and 2 Cream/White Barn $2\frac{1}{2}$ " x $6\frac{1}{2}$ " D rectangles, assemble a chain block as shown. Repeat to make a total of 4 blocks.

Quilt Top Assembly

1. Sew appliqué blocks and pieced blocks together in rows as shown. Press seams toward appliqué blocks.

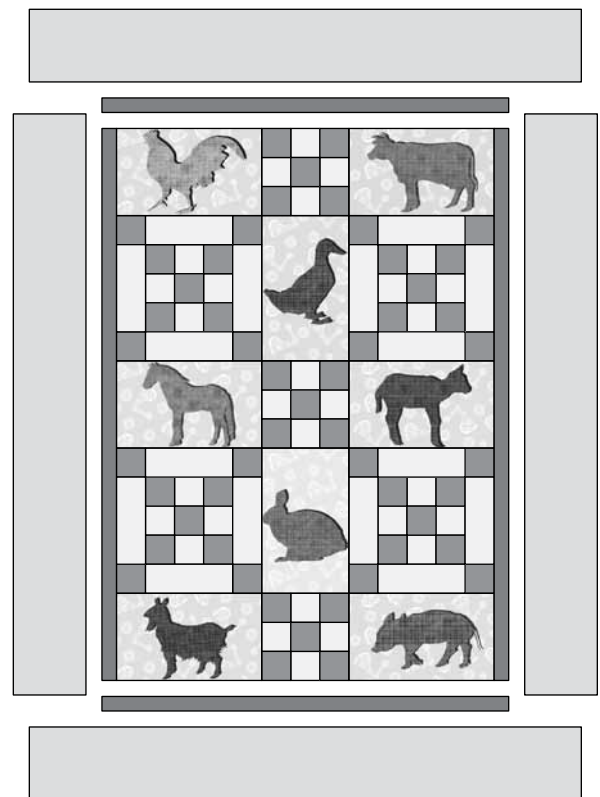

2. Sew rows together as shown in the Quilt Assembly Diagram at right. Press seams away from the chain block rows.

Borders

1. Measure length of quilt top through center. Trim 2 of the $1\frac{1}{2}$ " x 40" inner border strips to this measurement, and sew to sides of quilt as shown in the Quilt Assembly Diagram. Press seams toward inner borders.
2. Measure width of quilt top, including borders just added, through center. Trim remaining two $1\frac{1}{2}$ " x 40" inner border strips to this measurement, and sew to top and bottom of quilt. Press seams toward inner borders.
3. Measure length of quilt top through center. Trim 2 Animals outer border strips to this measurement, and sew to sides of quilt. Press seams toward outer borders.
4. Measure width of quilt top, including borders just added, through center. Trim remaining 2 Animals outer border strips to this measurement, and sew to top and bottom of quilt. Press seams toward outer borders.

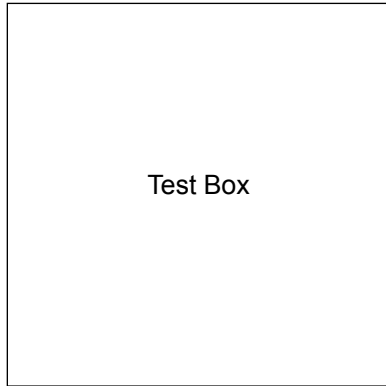

Finishing

Layer quilt top, batting, and backing. Quilt as desired. Bind. Don't forget to sign and date your finished quilt.

Quilt Assembly Diagram

Important! The test box below should measure 2" x 2". Please double-check its measurement before using any of the templates in this pattern. If the measurement is incorrect, make sure that you printed the PDF at 100%. In your printer dialogue box, you might need to *select* something such as "Print Scaling: None" or you might need to *uncheck* something like "Scale to Fit."

Note: Instructions are written for fusible appliqué, and the templates are all reversed and ready for tracing. Each template is used twice: once for the animal, and once for animal shadow.
