\*1 yd. is the complete Teapot Panel. You can include the entire panel with Month #1, or you can cut the panel into 9 teapot sections, and include one teapot section with each Month (#1-9).

\*\*Month #10 includes the fabric needed for finishing the quilt top (border, sashing rectangles, and binding). Scraps from previous months will be used for the sashing squares.

**Note:** When cutting fabrics with two measurements given (for example: 4½" x 10"), the first measurement should be cut across the width of fabric, then crosscut the second measurement.

**Backing:** 5⅜ yds. are needed for the quilt back (vertical seam).
