

## Pinwheel Fabric's 2019 BOM Sampler Quilt

I used 12 ½" log cabin blocks with a center star as alternate blocks. These are not included in this BOM. You can set you 12 blocks as you choose.

There are 23 log cabins in my sample quilt.

I used scrappy fabrics to make log cabins.  
You will need approx.

1 yard Red  
¾ yards Green  
½ yard for centers (more if you are going to fussy cut a motif)

Cut Center 4 ½" square (fussy cut or use star pattern below)  
Cut Background strip 1-2 ½ x 4 ½"  
Cut Background strip 2-2 ½ x 6 ½"  
Cut Green strip 3-2 ½ x 6 ½"

My center is a 4" carpenter star.

For one center squares  
Cut Red 2 ½" square  
Cut 4 Corner background squares 1 ½"  
Make 4- 2 ½ x 1 ½" flying geese see instruction with block one.  
You will need one large background square 3 ½"  
And 4 red smaller squares 2" each.  
These stars should be 4 ½" to put in center of log cabin.
