

Surprise Sequence Sampler Scarf KAL

Materials: 500 yards of worsted weight yarn & size US 6 or 7 needle.

Notes:

- 1) Sequence knitting is when the repeat (or sequence) across a row is the same on every row. It is easy to memorize.
- 2) The first row will be the right side. Mark it with a pin.
- 3) The scarf will be about 52" long. If you want a longer scarf, knit more length of the each sequence rows (i.e. 8" instead of 7").

Cast on 54 sts.

1st Sequence: [k3, p1, k2] repeat on every row for 7".

Knit Stockinette Stitch for 2" (knit on RS, purl on the WS)
