

June Newsletter

I don't know about you, but as I look at the calendar, I am amazed that it is already June. With the summer heat upon us, now is a good time to get out that sewing machine, put on your creative hats, and start working on those quilting projects. We want you to know how much we value ALL of our customers and are here to assist with all of your quilting needs. Stop by and visit us in the store. (By the way, Fall Harvest/Halloween is only 3 months away and Christmas is only 6 months away. Now is the perfect time to start working on those holiday projects!)

We are excited to share some of the new fabric choices and products that have arrived at our store. So grab a beverage, sit back in your chair, and browse our new fabric/product options available at Something For You!
