

July Newsletter

Flags waving in the wind, pop up firework stands, parades, fireworks lighting up the sky with a bright display of color and loud booms, and picnics ... all of these tend to indicate that it is time for the Fourth of July. This year, it will look different, but we hope you are able to enjoy some time off with your family and friends. Or if you prefer, we hope you can take some time to rest and do something you love. In keeping with the 4th of July theme, our store is literally "bursting" with some colorful fabric choices that have recently arrived. Our store will be closed on Saturday, July 4, 2020, but we will be back open on Monday, July 6th, 2020. Stop by, shop, and visit with us as we celebrate the 4th of July with a "bang"!

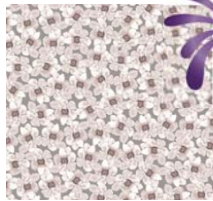

Wonder Clips

These clips are designed by Clover Manufacturing and come in an assortment of bright colors. Some highlights include:

- ◆ They open wide to hold layers of fabrics (great for use on binding).
- ◆ Each clip base is flat for easy feeding to the presser foot.
- ◆ Easy to see on dark fabric!
