

October Newsletter

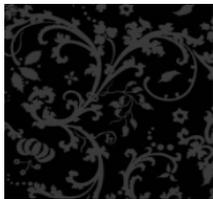

From the crisp air, bountiful baskets of mums, pumpkin spice beverages, and harvest displays to the vivid colors of yellow, red, orange, and brown, these items all signify the arrival of Fall. I don't know about you, but I do enjoy the sights and smells of everything fall. With the arrival of the Fall season, it does also mean that peeking around the corner is the fast approaching winter season. Personally, I am not looking forward to the cooler temps, and of course, snow, but am so thankful for the "newness" that each season brings. I also am thankful for the time that presents itself through the winter months to work on those projects I want to create, and of course, hopefully finish.
