

# March Newsletter

Well, taxes are finished and it's time to get back to doing what we love to do! For us, it feels like a huge accomplishment once it is all done and delivered to the accountant! Speaking of accomplishments, what have you been able to accomplish lately? We are SO excited to share all of the new fabrics that have recently arrived at the store. While 2020 was a year where manufacturers struggled to get fabric made and delivered to stores, we are excited to share that this is not the case now! Stop by and see all of the beautiful fabrics that have recently arrived!

Our staff have been buzzing like bees in getting all of our new fabric logged and out on shelves for you to browse (and of course, purchase). I know our minds are buzzing with all of the quilting possibilities! Join us as we "buzz" around showing you our new fabrics. Don't get "stung" by these beautiful "bee-tiks" ....
