

February is known as being the shortest month and this year, we get an extra day due to it being a Leap year. While the anticipation of spring appears to not be close enough, I like to think of it that there is one extra day for projects. These projects could be new ones or ones just waiting to be completed. Let us help you with whatever quilting needs you have. From a great fabric selection to needles and thread, we have what you need. Stop in, say hi, and browse our quilting inventory.

St. Patrick's Wall Hanging

As we prepare for our monthly class offerings, we are reminded that St. Patrick's Day will soon be here. A quote by Adrienne Cook states that "St. Patrick's Day is an enchanted time—a day to begin transforming winter's dreams into summer's magic." With that in mind, we are thrilled to announce our newest wall hanging design. We are offering this class for only \$25. Come and make some St. Patty's Day magic for your home.

We haven't received a lot of new fabric lately in the store, so instead, we would like to highlight some of the fabric that is displayed on our clearance table. Stop by and check it out for yourself.
