

# April Newsletter

It's hard to believe that one month ago, we were all shopping and visiting with each other without any concern for the coronavirus. As of March 27th, the way we serve our customers changed due to state guidelines. At Something For You, we want you to know that we are here for you as well as all of your quilting needs. We are excited to announce that we have updated our website ([www.sewsfy.com](http://www.sewsfy.com)) to include curbside pickup. We are also continuing to help our customers by taking phone orders or providing local home delivery. Our phone number at the store is (712) 243-4157. Please feel free to contact us during this time for all of your quilting needs. Stay safe and healthy!

At this unique unprecedented time, this quilt saying is very appropriate ... "When life gives you scraps, you make a quilt". What are you using your scraps for? Before this pandemic arrived, we received a new shipment of some beautiful Batiks. Take some time to sit and relax as you browse our new line of Batiks.
