

May Newsletter

We are so excited to announce that we are officially open as of May 1st, 2020! We want to take a moment to tell each of you how much we missed talking with you, assisting with fabric choices for beautiful quilts, as well as seeing the amazing results! We appreciate each of you and are very thankful for supporting us through these difficult times.

So many of you may be asking yourself ... "What's new"? Well, we are very excited to show you the beautiful All Iowa Shop Hop fabrics that are available for pre-order in our store. As most of you know, we are unable to actually sell this fabric line until June 1st, but if there is something in particular that has caught your eye, please give us a call at 712.243.4157, and we will be very happy to add you to our pre-order list. You are always more than welcome to stop in the store for an up close look at these fabrics.

We have recently heard a lot about taking care of yourself during this pandemic. As I sit here and think about it, this quilt saying comes to mind, "My soul is fed with needle and thread". During this pandemic, please take care of yourselves and take the time to do something you love. We are always here to assist you with your projects!

Hoop Mat

For our customers who love to embroider, this tool is for you! This mat measures 16" x 22" and provides:

- ◆ A printed grid which is visible through the stabilizer and most fabrics and helps to assist in accurate placement of embroidery designs.
- ◆ A silicone, non-slip surface that grips the hoop so that you are free to position the stabilizer and fabric without hoop movement.
- ◆ An ability to roll up for easy storage.
