We are celebrating 18 years!

Hello Friends,

This June we will be celebrating 18 years together with you. When we started this venture, we had no idea what a wonderful adventure this business would take us on. We have had our ups and downs, and we appreciate you going along on this ride with us. We are very thankful to be celebrating our first full year in our new location. While we miss downtown Turlock, we are grateful for this space, it's additional parking and our Hilmar neighbors that have been so welcoming.

As we head into summer, we once again have some wonderful classes for you to choose from. We have even added some classes to our schedule during the week, for those that are available during the day. We have also added another UFO party and changed things up a bit on our Retreat Down the Street. This time around we are going to try it potluck style. As soon as you register for the retreat, you will be able to sign up to bring a dish to share. We have a few classes that we are repeating because they were so popular, and of course some new classes as well. For the kids out there with sewing experience, we have a kid's camp where they will be completing a quilt top. SO many fun things going on!

As the summer heats up, be sure you take note of our open sews, Finish it Fridays and Sew Fun Sundays. A great time to take advantage of our classroom space and our air conditioning. :-)

As always, hope to see you soon!
 Margaret, Debbie and Cindy
