Good Bye 2018

WOW, What a year this has been for us!!! An unexpected move and a wonderful new location...we are blessed!

Thank you for all of your patience and help this year as we embark on this new adventure in a new location. If you would have told us one year ago that we would be moving out of the building we called home for 17 years, we would have told you, you were crazy but here we are! We are still emptying boxes, but it is starting to feel more and more like home each and every day. If you have not had a chance to visit our new location we hope to see you soon.

As we finish out the year, we once again have some wonderful classes for you to choose from. Our teachers have put together a great selection of classes with a variety of quilting techniques.

- You must be present yourself to get your free block, a friend may NOT pick up your block for you. However a friend can purchase your block for you if you are not able to attend the session. Be sure that you pick up your block as

Please also take note of the upcoming dates recorded on this page. We want to emphasize the deadline for long arm quilting to be guaranteed by Christmas. If you would like your quilt back before Christmas it must be turned in on or before October 1st. Get your Christmas gift projects finished and turned in to us as soon as possible to meet that deadline.

Also note our end of the year inventory sale will once again be on December 31st. Help us reduce our inventory so we do not have to count it.

We hope you and your family have a wonderful Thanksgiving and a very Merry Christmas!

Hope to see you all real soon.
 Sew long for now,
