

Rag Bag

Fabric Requirements

12 5" squares for outside of bag

12 5" squares for inside of bag

Handle (fabric or webbing)

Thread

Instructions

1. Place squares wrong sides together.
2. Stitch an x across the middle
3. When you have stitches all matched squares, lay them out three across and two down.
4. Lay two pieces with inside fabric together. Stitch a $\frac{1}{4}$ in seam. Repeat to stitch the six together to make the front of the bag.
5. Do the same with the remaining six squares for the back of the bag.
6. Stitch the sides and bottom of the bag together.
7. Sew on handles of your choice.
8. Clip the seams every $\frac{1}{4}$ ". Making sure not to clip the thread.
9. Wash rag bag inside of a pillowcase to make the edges fray nicely.
