the units are getting bigger

Clue #5

Place a Unit C vertically in front of you so that the color #3 is at the top and color #2 is at the bottom. Sew a Unit A to the right side of the Unit C so the color 2 triangle is the top right corner. Press toward Unit A.

This makes Unit E.

You should have the following number of Unit E pieces:

Crib: 36

Lap/Twin: 96

Full/Queen: 196

King: 324
