

Prairie Point Hot Pad

use only 100% cotton fabrics

Materials:

28 5" squares (from charm pack, scraps, or 4 fat quarters)

2 - 12 x 12 fabric pieces for foundation front and back

1 12 x 12 batting

Bias Binding

Instructions:

1. Mark a 12 x 12 square of foundation fabric like diagram 1.
2. Fold a 5" square as shown in diagram 2.
 - a. make four from fabric 1
 - b. make eight from fabric 2
 - c. make eight from fabric 3
 - d. make eight from fabric 4
3. Place the four from fabric 1 on top of the marked foundation top, matching the points.
4. Tack in place close to the tip of the point.
5. Place the eight from fabric 2 following marked lines.
(four on top of the existing points - four in middle of points)
do not place more than 3/4" lower than the last points
6. Tack in place close to the tip of the point.
7. Place the eight from fabric 3 and then fabric 4.
Tack in place close to the tip of the point.
8. Layer top, batting, and bottom foundation piece.
9. Stitch around top of the hot pad to secure bottoms of the prairie points.
10. Trim in circle (I used a plate for template)
11. Make a bias binding to go around the edge.
(hint - stitch on back side of hot pad, so when you turn you can top stitch on top for a neat finish)
