Class Name Here: It's Elementary!

- Sessions for the class: 7
- Class Description: Learn how fun quilting can be when you use the easy Quilt in a Day techniques! This class is great for skill building. We will start with a discussion on choosing fabrics, then choose and cut fabrics you love. I will introduce the tools that will be used for this project. You will not need them all at once. I will tell you at each session which tools you will need for the next class. Then we will create 5 different blocks, each one that will teach a new skill. When we have all the blocks finished, we will put them together in either a 5 block sampler wall hanging, a vertical wall hanging or single block pillows or wall hanging. Whether this will be your first quilt, or your 50th, you will learn new tricks and have a great time!
- Proposed Date(s): 1/6/26, 1/20/26, 2/3/26, 2/17/26, 3/3/26, 3/17/26, 4/7/26
- Proposed Time(s): 9:30 am -12:30 pm
- Skill Level: Beginner +
- Special skills needed prior to signing up for class: The only skill needed will be to understand how your sewing machine works. You need that and a willingness to learn.
