Class: 112 – Introduction to Hand Applique
Teacher: Marilyn Donovan
Email: mdonov@aol.com
Skill Level: Beginner

Fabric:
16" square of 100% cotton fabric in a light colored fabric without a lot of pattern in it. Please wash and iron your fabric.
Your choice of various small pieces of colored 100% cotton fabrics for your flowers and leaves and either green or brown for stems.

Pattern:
Provided in class

Project Supplies:
Freezer paper (it is sold in the grocery store beside waxed paper and foil)
Thimble if you use one (I highly recommend you use one.)
Ruler
If you cannot see fine stitches, be sure to bring glasses.
Scissors for both fabric and paper.
1 white and 1 dark erasable fabric marker.
Appliqué needles.

Basic Sewing Supplies:
Threads to match the color of the fabrics you have chosen for flowers and leaves. (A dark and a light gray will hide well if you don't have a lot of colors.)
Small straight pins. (Appliqué pins work best.)

If your class runs through lunch time, you may want to bring a portable lunch. There is a small refrigerator available.
