

Class: 114 Basic Machine Quilting \$35

Teacher: Jackie Toth

Skill Level: Beginner

This class focuses on quilting basics with a muslin quilt. It includes layering, basting, marking, anchoring, stitching in the ditch and straight line quilting.

Project Supplies:

- Sewing machine with a fresh needle size 70/10 or 80/12, extension table if it has one, foot pedal and manual.
- Walking foot. An open toe foot is best but you must have a walking foot.
- Safety pins at least 50-75, 1-1.25" long, colored pin covers are recommended, making your pins easier to see on your project. Pins and covers are available for purchase at The Quilted Fox.
- 12" -24" ruler
- Quilters gloves if you have them (also available for purchase at The Quilted Fox)
- Basic sewing supplies including scissors, pins, bobbins, thread (two colors which will show up on the muslin, light and dark), seam ripper, marking pencil.

Fabric Needs:

- Backing piece approximately 36"x36", muslin or off white or tone on tone fabric would work well.
- Batting, approximated 38"x38" or larger than your backing piece. Available for purchase at the Quilted Fox
- Nine 10.5" squares of muslin or tone on tone fabric that you have already sewn into a 9 patch block which you will use for practice during the class. Press seams to one side. A different bobbin thread from your sewing thread color will make seeing your practice stitches easier.

WE WILL LAYER THE QUILT IN CLASS

If you have a quilt top that you have made, feel free to bring it to class to discuss how to layer it to finish once our class is over.

If your class runs through lunch time, you may want to bring a portable lunch. There is a small refrigerator available.
