**Project Supplies:**

- Sewing machine in good working order with extension table if available. You need a fresh needle size 70 or 80. Please bring your cord, foot pedal and manual.
- Walking foot to fit your sewing machine. An open toe walking foot is best but bring what you have. **You must have a walking foot.**
- Safety pins--Bring about 50 approximately 1" long safety pins.
- Ruler about 12" long (a 1" by 12" is ideal)
- Quilter's gloves--if you have them
- If you have a quilt top that you want to quilt, bring it and we will discuss quilting options.

**Basic Sewing Supplies:**

- Basic sewing supplies such as scissors, ripper, empty bobbins, extra machine needles, pencil
- Thread--50 wt or thinner in color that will show up well on your light fabric. i.e. dark brown, navy, red, or black. Bring a bobbin filled with a contrasting thread. For example, if your top thread is black, bring red in the bobbin.

If your class runs through lunch time, you may want to bring a portable lunch. There is a refrigerator available. When you arrive at the building, park at the left side of the building (when facing the front door). There is a door there for handicap entrance. Inside the door is an elevator. Take it to the 2<sup>nd</sup> floor and walk down the hall to the end of the building. If you come in the front door, there are 6 steps up to the entrance of the shop.
