

Class: #210 Wonder Curves Ruler - Butterfly

Teacher: Candyce Grisham

Email: Candyce54@gmail.com

Skill Level: All levels

This is the simplest of all the Wonder Curve Rulers to use. It does all the calculations for you. Come to class and we will work through the butterflies shown on the pattern included with the ruler. I will also show you other pattern options.

The Butterflies can be a table runner, or you can add to them to make a wonder lap or baby quilt.

Supplies:

Wonder Curve Ruler

45 mm or smaller rotary cutter

(5)10" assorted squares fabric for butterflies

2/3 yd background fabric

Additional fabric for lap quilt

Basic sewing supplies: pins, neutral thread, seam ripper
