Bright Lights Mystery: Supply list

Finished quilt 62 x 80

This mystery can be made from two jelly rolls or cutting your own fabric. If cutting your own fabrics, think about background fabric contrasting with focus fabrics so your piecing shows out.

**Jelly Roll #1** -36 strips - Focus fabrics

OR cut 36 (2 ½") strips x 42" from your choice of a variety of fabrics

**Jelly Roll #2** – Background – 32 strips - Should contrast with your focus fabric(s)

OR 2 ½ yards one fabric (will be backgrounds and binding)

OR a total of 2 ½ yards background fabrics mix and match.

**Border**

Can be same as background fabrics or you can wait to see, 1 yard

All the cutting and sewing will be done at home and we will go step by step over the next 3 months.

Sewing is all straight seams and good for beginners.
